Monday 11 January 2010

Dear Parents

Not quite the start we had in mind!

Test week for Years 1-5 will continue as planned this week but will start tomorrow. Please be aware that it may be necessary for some tests to run into next week. We do not envisage this delaying reports going home on January 29th as planned. At the end of this half term school was due to close on Thursday 11th February, due to the time lost last week the staff training is being re-organised and school will now remain open until Friday 12th.

The snow has been cleared but paths around school remain very slippery and I ask that you take care when walking around school. Please do not allow your children to play on the snow piled up at the side of the playground, it is icy and dangerous. The children know that they are not to play on it and I would ask that you support us with this. All heating problems were resolved on Friday.

We are currently looking into a Global Texting system that would allow us to communicate instantly and efficiently with you when, for example, matches are cancelled or snow disrupts play! Details will follow.

Thank you for your support and a Happy New Year to you all.

Yours sincerely

Mrs A C Dean
Headteacher

Diary Dates

PTFA meeting 28th January, 7.30pm in the school library. Everyone welcome.
