

The School Council

The School Council is now in its 9th year and going from strength to strength. It is made up of two representatives from each class. These members have to write an application form before selection and voting takes place in September.

The School Council is taking part more and more in decisions affecting our school. We have just become a member of the ECO School project, where members discuss matters relating to the school environment. School Council have just achieved the bronze award and are about to complete an extensive environmental review of the school and write a new action plan for the future. The main areas we are currently working on are: recycling, developing our garden area, energy conservation and healthy eating.

Council Members 2010 - 2011

Chair – Madeleine

Secretary – Chloe

Treasurer - Catuxa

Y6 – Shania

Y5 – Marcus and Hannah

Y4 – Olivia and Joe

Y3 – Maisie and Haryan

Y2 – Beth and Adam

Y1 – Connor and Humayrah

Reception – Jack and Lewis

The School Council is supported by Mrs. Baumber and Miss. Farrow, two class teachers. They attend the meetings and help the council with advice, budget issues and liaising back to the staff

Recent achievements

The School Council hold meetings frequently and perform many important duties. Recently we have:

- * produced an anti bullying charter
- * organized fund raising events to raise money for our charity 'Francis House'.
- * produced a welcome booklet for new children
- * designed a healthy lunchbox leaflet
- * participated in assemblies on bullying, recycling and the environment
- * We also invite guests to join our meetings. Mrs. Jayne Stuart, the school travel adviser, came in to help devise a travel plan and we helped collect the questionnaires. We even organised a poster competition, encouraging children to walk to school
